Let kids experience the joy of riding a 4 x 4 . With safe imitation of a real car.

Give your children the most awesome ride in their life with the Pocket Bike Canada X1. With four wheels to help stabilize them, they can have all that easy fun you can only get when riding a 4 Wheeler. And an actual accelerator pedal and steering wheel will make it more realistic for them!

Ride for hours. Not just 15 mins.

Ride up to 2 hours on a single charge. Achieve a top speed of 4.6 mph (7.5 km/hr) with the powerful 24V motor.

Advanced safety features. Less likely to fall.

The Pocket Bike Canada X1 is the ultimate ride-on for kids who always want to be big. The headlights provide ample visibility, while head board lights keep them safe no matter what time it is! Other safety features include seat belt and doors that keep your little one secure at all times. This unit comes with a remote control which you can use to stop or start your child without the need to get up so quick.

Easy assembly. Unpack and enjoy.

The Pocket Bike Canada X1 is designed for easy assembly.
