- **Durable and safe**: perfect gift for bigger kids 3 to 8 under parental supervision. The Pocket Bike Canada X3 is a larger unit compared to the Pocket Bike Canada X1.
- **Powerful output**: equipped with removable 24v 7ah rechargeable battery pack. Up to 60 minutes of battery life. Integrated battery level indicator.
- **Easy to operate**: Push button on/off. High speed/low speed switch. Forward/Reverse switch.
- **Led lights and music**: Functional led lights at the front. Bluetooth music player.
- **Fun look**: Front bumper & flat rack at the front. Storage compartment behind the seat, perfect for that favorite toy, doll, or stuffed animal.
- Caution: this product is not water-proof!

Let kids experience the joy of riding a 4 Wheeler. With safe imitation of a real car.

Give your children the most awesome ride in their life with the Pocket Bike Canada X3. With four wheels to help stabilize them, they can have all that easy fun you can only get when riding a 4 Wheeler. And an actual accelerator pedal and steering wheel will make it more realistic for them!

Ride for hours. Not just 15 mins.

Ride up to 2 hours on a single charge. Achieve a top speed of 4.6 mph (7.5 km/hr) with the powerful 24V motor.

Advanced safety features. Less likely to fall.

The Pocket Bike Canada X3 is the ultimate ride-on for kids who always want to be big. The headlights provide ample visibility.

Easy assembly. Unpack and enjoy.

The Pocket Bike Canada X3 is designed for easy assembly.
